A good proposal will also include a strategy on how the goals and objectives will be met and indicate a timeline for when they are planned to be achieved.

Projects should have a project leader or organiser. This person should be appointed by the Member Association.

### **2017 Project Funding**

Badminton Europe will consider all proposals and applications and decide which Regional Projects are the most suitable to be supported in 2017. The decision will be made based on the relevance and short and long-term objectives of the proposed projects.

The budget for the 2017 BEC Regional project support is 30 000 EUR + shuttles. In 2017 Badminton Europe will support **up to 10 projects**, by allocating a support of up to **3000 EUR + shuttles** per project.

Badminton Europe funding will be allocated on a **participation basis**. The financial grant will be paid directly to Member Associations. Payment will be made after submitting the requested documentation after completion of the activity. Should all cooperating Member Associations prefer the financial grant to be paid directly to the organising association, **please clearly state this in the application.**
